## A message from the Executive Director

Welcome to the May issue of the *Communicator*. Late spring is an extraordinary time in our state, the (mostly) joyous weather, the blossoming trees, our students and teachers preparing for the end of the school year.

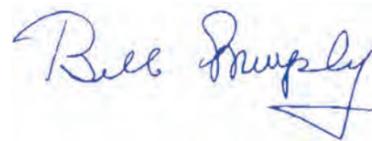

In the midst of everything, there's the state legislature finalizing the spring session. With that comes budget negotiations, lobbying efforts and, finally, votes being cast. Your RIPEA team was a strong presence in the state capitol this session, supporting our shared goal of maximizing members' benefits. In this issue, you'll read the results of those efforts.

Spring is also a busy time for chapter meetings around the state. The RIPEA Board visits as many chapters as possible to share updates on our government and learn about the issues that affect your region. The list of upcoming meetings is listed on our website. Please consider joining us!

As we continue to develop additional ways of communicating important information with you, please consider sharing your email address with us. Email is an ideal way to reach out to you with timely information. Email us at [RIPEA@ripea.org](mailto:RIPEA@ripea.org) to be added to our growing list. Your email is secure; we will never share it with others.

As always, as a RIPEA member we appreciate your support and ask for your suggestions to make RIPEA the most effective association it can be.

Until next time,

Bill Murphy, Executive Director

## 2015 Legislative Review

This session, which adjourned near midnight on April 29<sup>th</sup>, was a particularly difficult session for RIPEA to accomplish either one of its primary goals for our members (1) a COLA (2) a 13<sup>th</sup> check. There were three COLA bills and two 13<sup>th</sup> check bills introduced. Only one of these bills, HB1481, a COLA bill, passed the House of Origin. HB 1481 which provided a modest Cost of Living Adjustment died in the Senate Labor & Pensions Committee. At that point any chance for a COLA was gone. The only hope for a 13<sup>th</sup> check was to include it as part of HB1001 State Biennial Budget Bill. Late in the evening of April 28, thanks to the efforts of your RIPEA Board of Directors, Joe Loftus, RIPEA lobbyist, the

Indiana Retired Teachers Association (IRTA) under the leadership of Nancy Tolson and many dedicated Legislators a 13<sup>th</sup> check was included in the Budget Bill. Therefore, if you are a PERF retiree with an effective date of retirement of December 1, 2014 or prior, you will receive with your regular PERF check on September 15, 2015 one of the following additional amounts:

Years of Service	Amount
5—10	\$150.00
10—20	\$275.00
20—30	\$375.00
30+	\$450.00

Although obviously disappointed in not receiving a COLA again this year there were many days near the

end of the session that a 13<sup>th</sup> check was in doubt and our members were in danger of receiving no additional monies this year.

We are grateful to our State Legislators who approved the 13<sup>th</sup> check in the waning days of the session.
